---

## Revision A1Z

- Cash Register - Allow full editing of facility rental (event) and registration transactions... so can apply discounts and add other charges. -- 11/28/2011 (#992)
- Scheduling Grid - An event scheduled at 7AM with a 24 hour duration does not show properly when using the day view control. -- 12/20/2011 (#6065)
- Scheduling Grid - Select Facilities - add a button to sort the selected facilities alphabetically. -- 12/20/2011 (#6062)
- Scheduling Grid - Option to not show complex in the grid headers. -- 11/10/2011 (#5667)

## Revision A1S

- Facility Locker Rooms - SQL Only - Error 3622 when attempting to move locker rooms out of the selected box. -- 1/5/2012 (#6072)
- Facility Revenue Summary Report - New report that breaks down sales revenue by facility for a specified date range. -- 12/22/2011 (#6006)
- MP-Pass/Activity Check-in - Error 94 when the individual does not have an "individual" barcode. -- 12/21/2011 (#6066)
- Payment/Credit Summary - New format that shows just the distribution information both a report format and a format that can be exported to XLS. -- 12/13/2011 (#6059)
- Registration Summary - SQL Only - report is slow. -- 1/5/2012 (#6071)
- Registration Summary - League selection only works when you have the "Show Balance Due" box checked. -- 1/5/2012 (#6070)
- Scheduling Grid - Get msg 'Facility is Required' when double-click on an event to edit. -- 11/15/2011 (#6037)
- Scheduling Grid - Takes 2 to 3 times longer to load the grid since getting rid of the global recordset. -- 12/20/2011 (#6061)

## Revision A1R

- CC Reconciliation Report - Payments that should be showing in the VISA section are in the generic section. Using Access/Element. -- 11/2/2011 (#6017)
- CC/ACH Processing-PCI - Write a function to convert all CC numbers to 9xxxxxxxxxxx9999, in the payment table, for compliance. -- 10/18/2011 (#4535)
- Customer Schedule - Include organization email address in report header. -- 10/19/2011 (#5981)
- Enter Payments/Credits - Adding a CC payment, using Paypal, does not update the CcTypeCd field in the payment table. -- 11/2/2011 (#6018)
- Enter Payments/Credits - SQL Only - Error -2147217900 when entering a CC payment using Element. -- 11/3/2011 (#6019)
- FTP Sites - Allow user to specify "Server Port Number" and "Secure" on a per FTP site basis. -- 11/1/2011 (#6012)
- Game Sheet Report - Print the game notes on formats 1 and 2. Game notes already print on format 3. -- 10/24/2011 (#5991)
- General - Add a global recordset for performance reasons. -- 11/2/2011 (#6016)
- GL Export Journal Entries - The export to Sage Simply Accounting general journal "Sage (MIC)" never made it from 2009 to 2011. -- 11/7/2011 (#6024)
- GL Payment Distribution - Add an option that combines the Payments and Applied Prepays/Unapplied into a single section or add a third totals section. -- 10/24/2011 (#5988)
- GL Payment Distribution - Incorrect results when running the report by shift date range and some payments do not have a NULL shiftID. -- 10/20/2011 (#5984)
- Mailing Labels - Mailing label definitions table missing from revision A1R. -- 11/8/2011 (#6029)
- MEM-Member Check-In / Check-in History - Add an Event Type column and also add this column to the report that prints out when you hit the Print button. -- 10/19/2011 (#5951)
- MEM-Member Check-In Summary - New format of the check-in summary report. -- 10/20/2011 (#5917)
- Merge Individual - Error 3218 attempting to merge an individual. -- 11/7/2011 (#6022)
- Payment/Credit Summary - Option to include the league/team related to any payment distributions. -- 11/3/2011 (#5986)
- Payments-Cash Drawer - Add an option to use a cash drawer, without having POS, that pops after a payment has been entered. -- 11/9/2011 (#5985)
- PC-Photo ID Cards - Option to print membership expiration date on the card. -- 10/24/2011 (#5989)
- Print Invoices - Organization name repeated in invoice header when using multiple invoice files. -- 10/26/2011 (#6008)
- Process Recurring Transactions - Is not assigning the CcServiceID, or CcTypeCd, in the payment table upon creating a CC payment record. -- 10/18/2011 (#5979)
- Registration Summary - Option to run this report by date range to include all league/teams having a start date within the specified date range. -- 11/2/2011 (#5987)
- Schedule Events - Ability to view membership event check-in information, similar to the Event "Note" button on member check-in screen. -- 10/19/2011 (#5883)
- Sell Prepays (Debit Cards/Gift Certs.) - Barcode swipe errors out with changes to issue #5947 to handle excess swipe characters. -- 10/27/2011 (#6009)
- Startup - Startup time went from 10 seconds with A1N to 90 seconds with A1R. -- 11/1/2011 (#6015)

- Web Report Setup - League Schedule - Leagues in the 'Available' list are not being removed after they have been selected. -- 10/26/2011 (#5996)

## Revision A1Q

- Assign Locker Rooms - Add a column to display the number of teams assigned to an event to aid in determining how many rooms will be needed. -- 9/2/2011 (#5891)
- Block Out Holidays - Deleting holidays from the list does not delete the blocked out holidays associated with facilities. -- 9/6/2011 (#5900)
- Book Recurring Events - Make the Preview Booking button Red. -- 10/11/2011 (#5959)
- Cash Register - Allow client to indicate the location of the barcode within a string to allow use of encrypted keypad w/MSR. -- 10/5/2011 (#5945)
- Cash Register - Issue #5871 did not fix "Scan Prepay" with encrypted scanners from Element. -- 9/22/2011 (#5912)
- Child Care Statements - SQL Only - sometimes include individuals that were not selected. -- 10/10/2011 (#5942)
- Custom Select - Individuals - Make select on custom registration data "text" field do a "Like" on the specified text. -- 9/2/2011 (#5890)
- Data Corruption - Eliminate Global Recordsets - Rewrite ME so it no longer needs to keep the global grsTran and grsSched open -- to avoid data corruption. -- 10/17/2011 (#4241)
- Data Locations - The SQL Server Version options are "2000" and "2005 or later". Still shows "2005" when call up an old location. -- 9/28/2011 (#5935)
- Edit League Event - If I have a league scheduling event that has a null facility and I go in to edit that event I get a runtime error 94. -- 9/27/2011 (#5927)
- ET-Employee Time Clock Hours - SQL Only - showing/sorting name first/last -- should be last/first. -- 10/4/2011 (#5940)
- GL Payment Distribution - Add the ability to print for a shift date range and optionally include only shifts for a specified register department. -- 10/4/2011 (#5938)
- GL Payment Distribution - The bottom 'Payment Method Summary' section isn't accurate when running for a 'Shift Date Range' -- 10/12/2011 (#5971)
- GL Payment Distribution - Would like an option to print by shift date range. -- 10/4/2011 (#3038)
- GL Payment Distribution - Print by shift does not properly handle a gift card purchased in one shift and applied in another on same date. -- 10/10/2011 (#5952)
- GL Payment Distribution - Add an option to include only GL Accounts that start with a specified letter (or prefix) when running the report. -- 9/29/2011 (#5931)
- GL Payment Distribution - SQL Only - very slow. -- 10/11/2011 (#5953)
- Import Facility Schedules - Add an "Internal Utility" to assist with the importing of facility info and schedules from a designated CSV format. -- 9/15/2011 (#5901)
- Import Names - Import does not pull in specified passwords. -- 8/29/2011 (#5887)
- Import Schedule Data - Exchange Format - Import of Exch format does not import Schedule Notes. -- 10/6/2011 (#5946)
- Individuals - When using "fast forms" and entering into the "Get Individual" field, it stops working if you backspace to delete a character -- 10/13/2011 (#5973)
- Individuals - Unable to swipe in barcode when using IDTech M100/130 encrypted card reader. -- 10/6/2011 (#5947)
- Inventory Adjustments/Transfers/Purchases - Deleting multiple records at one time only makes the inventory adjustment for one of the records. -- 10/14/2011 (#5978)
- Inventory Item Labels - Add a 2x3 format that will work with Bixolon - SRP - 770 II and Zebra labels: Z-Select 4000D. -- 9/14/2011 (#5905)
- Inventory Item Sales report - If you have two of the same item in a single transaction, each a separate detail line, only one shows on the report. -- 9/12/2011 (#5906)
- Inventory Mass Adjustments - Error 6 when attempt to use task "Zero On Hand Quantity" and have very large quantities. -- 9/22/2011 (#5914)
- Item Maintenance - Allows delete of items referenced by cash register templates. Need to at least give a warning message. -- 9/26/2011 (#5916)
- League Schedule - Make the new 'Assign Teams to Events' available from the schedule screen. -- 9/27/2011 (#5928)
- League Schedule-Assign Teams to Events - Use team short names in drop-down lists and default the sort order to Date/Time/Facility. -- 10/4/2011 (#5939)
- Mailing Labels - Individuals - SQL Only - no individuals show in the selected list after making selections that should result in individuals showing. -- 10/5/2011 (#5944)
- Main Menu - Add a Quick Link option for Configuration/Registration for those who have League but not Reg. -- 10/13/2011 (#5974)
- MEM-Member Check-In - When we open the check-in screen via a POS button, we cannot see the buttons at the bottom (Find Member, Close, etc.) -- 9/26/2011 (#5920)
- Refunds - Refunding to a cc, via pmt list, does not work if you have already entered a CC number in the CC # field. -- 9/6/2011 (#5838)
- Schedule Events - SQL Only - Error 3155 when scheduling events, also when booking recurring events. -- 10/13/2011 (#5975, Ext#238)
- Schedule Events - Option to default to straight facility rate, rather than customer default -- or ask if want to use customer rate. -- 9/16/2011 (#5908)
- Scheduling Grid - Old grid shows maint color for entire event when a setup time is specified. -- 8/30/2011 (#5888)

- Scheduling Grid - With grid view, event booked to parent facility not showing, but exclusions are showing. Shows with schedule view. -- 9/30/2011 (#5936)
- Startup - Msg "The Visual Basic for Applications project in the database is corrupt.", plus two other messages. -- 10/4/2011 (#5915)
- Unique Enrollment List - Includes individuals not selected. -- 10/5/2011 (#5943)
- Week-at-a-Glance Report - Error 3163 when running format 3 with CARI data for 9/12/2011 - 9/18/2011. -- 9/27/2011 (#5933)
- Week-at-a-Glance Report - Format 1 & 2 - Shows only exclusions, and no events, for all days except the first day. -- 10/10/2011 (#5950)
- Week-at-a-Glance Report - format 4 - Events not sorted by time. -- 10/7/2011 (#5949)
- Week-at-a-Glance Report - Format 3 does not show exclusions. -- 10/13/2011 (#5972)

#### Revision A1P

- Book Recurring Events - The resolve button on the "Start Time Generator" screen does not set the duration appropriately on the main screen. -- 8/25/2011 (#5873)
- Child Care Statements - Not working with SQL data. -- 8/26/2011 (#5877)
- Configuration/Registration - Copy Class/Team - format 4 of the recurring copy creates team names using military time add option for std time format. -- 9/27/2011 (#5922)
- Data Locations - System cannot find the MaxE2011.ach file after selecting a SQL data location. Works from the hidden locate data feature. -- 9/26/2011 (#5919)
- GL Update Journal - SQL Only - hangs. -- 8/26/2011 (#5878, Ext#282)
- Hidden menu - New feature to list transactions with no detail lines. -- 8/26/2011 (#5879)
- Individuals - Allow documents to be attached to a customer or individual -- e.g. PDF of a signed waiver, etc. -- 8/24/2011 (#5872)
- League Schedule - SchedDate does not match the EventDate after split time blocks when using a canadian date format. -- 9/27/2011 (#5934)
- Main Menu - If no access to any setup menu items you get a message then kicked out of the program. -- 8/25/2011 (#5875)
- MEM-Member Check-In - Performed a couple event check-ins, but get "No Check-ins" msg when click the "Notes" next to the event dropdown. -- 8/29/2011 (#5882)
- MP-Pass/Activity Check-in - Individual Bar Code field not always updated properly. -- 8/25/2011 (#5874)
- Unique Enrollment List - Not working with SQL data. -- 8/26/2011 (#5876)

#### Revision A1O

- Cash Register - Scan/swipe gift cards does not work with encrypted scanners from Element. -- 8/22/2011 (#5871)
- Cash Register - Want to be able to use the Activity Registration button to view registrations when licensed for league and POS only. -- 8/12/2011 (#5850)
- Configuration/Registration - Add an email button to email all individuals in the selected season. -- 8/29/2011 (#5845)
- Custom Select - Individuals - Ability to select based on registration custom field response. -- 8/11/2011 (#5847)
- Import Registration History - Create an import for basic registration history information -- no fees or transactions. -- 8/10/2011 (#5835)
- Individuals - When adding a new individual and selecting city/state record, default the resident setting to that in the city/state record. -- 8/12/2011 (#5851)
- Individuals - If set form field options to require State and select a city, which populates state, get message that state is required. -- 8/4/2011 (#5841)
- Insurance Provider Member Usage - The three "Provider" related fields are no longer be required with Silver Sneakers. -- 7/19/2011 (#5809)
- MEM-Recurring Transactions - Need a way to bill (invoice) the sponsor for sponsored recurring memberships. -- 7/18/2011 (#5765)
- Payments - Bad Checks - SQL Only - Incorrect Handling of Yes/No Field -- 8/18/2011 (#5868, Ext#281)
- Process Recurring Transactions - The edit screen allows line delete, add of insurance disc., and load orig fees when in read only mode. -- 7/18/2011 (#5806)
- Registrations - Get msg "you cannot load a program into an existing registration" when try to change the team for an existing registration. -- 8/22/2011 (#5862)
- Scheduling Grid - Error 13 when day start/end is 12AM to 12AM and you schedule an event. -- 8/1/2011 (#5827)

#### Revision A1N

- Book Recurring Events - The "Start Time Calculator" should also set the duration on the main recurring screen. -- 7/5/2011 (#5781)
- Cash Register - When sell/edit prepay and add funds to an existing prepay, the hourglass displays until you close the print receipt screen. -- 6/15/2011 (#5759)
- Cash Register - Print receipt causes additional spooling record to be created. -- 6/27/2011 (#5770)
- Child Care Statements - New report to show the number of days of child care a customer has paid for. -- 7/14/2011 (#5421)
- GL Payment Distribution - Having two payments/distributionw with the same exact date/time can cause incorrect numbers. -- 7/7/2011 (#5794)
- Import CyberSport Data - Duplicate family short names not always handled when importing individuals using the hidden "MaxEnterprise Format (.CSV)". -- 6/23/2011 (#5768)
- Import Inventory Items - New functionality to allow importing inventory item information. -- 6/27/2011 (#5391)

- Import Inventory Items - Error 2614 when select "Import Inventory Items" from the hidden admin menu. -- 7/5/2011 (#5785)
- Item Maintenance - Remove the tabs for Locations and Aliases and have both subforms visible at all times. -- 6/21/2011 (#5343)
- MEM-Membership Packages - Changing the 'Eligible for Member Discount' checkbox needs to flag all related individual to update online. -- 7/5/2011 (#5778)
- MEM-Recurring Transactions - Add new "Payment Type" of "None (Unpaid Tran)", in addition to recurring of "Credit Card" and "Savings/Checking". -- 7/8/2011 (#5764)
- MWL-Reports-Event Schedule - Performance and resource issues when running for many days in a SQL environment. Try using a stored procedure. -- 7/7/2011 (#5796)
- MWL-Reports-Facility Schedule - Performance and resource issues when running for many days in a SQL environment. Try using a stored procedure. -- 7/8/2011 (#5797)
- MWL-Reports-League Schedule - Performance and resource issues when running for many leagues in a SQL environment. Try using a stored procedure. -- 7/8/2011 (#5799)
- Process Recurring Transactions - Add a way to re-generate an ACH (NACHA) file after performing Process CC + ACH. -- 7/15/2011 (#5803)
- Red Bank Armory - Red Bank has a modified field size for inventory item description. Was increased from 25 to 50 characters. -- 9/15/2011 (#5910)
- Refunds - Placing a CC refund on account credits the CC if you first select from the Pmt List then say yes to use dfmt refund pmt meth. -- 6/13/2011 (#5757)
- Register Templates - Error 2100 when enter a horizontal or vertical span of zero. -- 6/13/2011 (#5758)
- Startup - Start up fails, with SQL, after new revision is loaded if the SQL password starts or ends with numbers. -- 7/6/2011 (#5793)
- Team/Class Roster - Add "show grade" and "show school" options. -- 7/11/2011 (#5801)
- Unique Enrollment List - Report, for grant writing purposes, to list unique names and total count enrolled within a date range or selected activities. -- 7/13/2011 (#5476)
- Week-at-a-Glance Report - Format 4, and possibly 5, have issues when using canadian date format. -- 7/15/2011 (#5804)

#### Revision AIM

- Duplicate Individuals - SQL Only - error 13 - type mismatch -- 6/6/2011 (#5749, Ext#278)
- ET-Time Clock - When using "Swipe Card" punch-in method, and "Auto-punch In/Out" = No, after swipe you can keep punching in repeatedly. -- 6/2/2011 (#5741)
- ET-Time Clock - Using "Swipe Card" punch-in, "Auto-punch In/Out", and job classifications off, focus set to Close button after swipe. -- 6/2/2011 (#5742)
- Generate Schedule - League - 6 Team, 2 facility, back-to-back double headers has issues. -- 6/9/2011 (#5754)
- Generate Schedule - League - 8 Team, 2 facility, back-to-back double headers not as good as they could be. -- 6/9/2011 (#5532)
- Mass Edit - SQL Only - Error 13 when using Line Tax and attempt to change the tax location. -- 5/31/2011 (#5734, Ext#276)
- Multi-Registration - Payments over-stated on confirmation/receipt when multi-reg via the cash register. -- 6/6/2011 (#5746)
- Multi-Registration - Error 94 when enter cust name then delete and click Close button. -- 6/3/2011 (#5745)
- Scheduling Grid - With "schedule" view, 5 min display interval, and long events, grid sometimes shifts when copy/paste or delete an event. -- 6/1/2011 (#5712)
- Sell/Edit Memberships - Slow when search on bar code. -- 5/31/2011 (#5735, Ext#277)
- Web Report Setup - Rename report type "Puck Systems Export" to "NGIN Export". -- 6/1/2011 (#5739)

#### Revision AIL

- Age Group Maintenance - Allow the From Age to be greater than the Through Age. -- 5/26/2011 (#5731)
- Assign Teams to Events - Add a new "Edit Event Teams" form which lists all events for a league and allows assigning teams and event type. -- 5/23/2011 (#5706)
- Complexes - Indicate that the "Tag Code" field is used for rink finder. -- 5/24/2011 (#5716)
- Configuration/Registration - Not recalling the last "report" or "task". -- 5/23/2011 (#5708)
- Copy Events - Copied other charges detail records are assigned an EventID. -- 5/24/2011 (#5723)
- ER-Rental Schedule - Get 'Enter Prameter Value' when print list and sorting on Item Name, Location, Cust Name, Individual Name. -- 5/26/2011 (#5732)
- Facility Schedule by Facility/Start Time - Change sort from Complex/Business Date/Facility/Event Start to Business Date/Facility/Complex/Event Start. -- 5/20/2011 (#5707)
- Main Menu - SQL Only - missing "User Access Privileges" report from Admin Reports menu. -- 5/20/2011 (#5705)
- Mass Edit - SQL Only - Does not Recalc Sales Tax -- 5/25/2011 (#5724, Ext#275)
- Organization Setup - Add a "Form Fields Options" button to the Company/Family tab. -- 5/24/2011 (#5720)
- Registrations - Don't always get warnings when "Transfer Registration to Different Individual". -- 5/23/2011 (#5711)
- Sell Memberships - Sales tax not calculated when add initial transaction. -- 5/24/2011 (#5722)
- Tax Locations (Line Tax) - When you open the Tax Locations (Line Tax) screen, the "Two" column field label highlighted. -- 5/24/2011 (#5713)

- Web Report Setup - League Schedule - add an option to include contact information at the top of the report -- similar to the ME report. -- 5/27/2011 (#5733)

#### Revision A1K

- Individuals - Up/down arrows do not work properly in the "Get Individual" drop-down when using "fast forms". -- 5/19/2011 (#5704)
- Multi-Registration - Get message "Transaction Group 0 is not on file or no longer active." the first time into this function. -- 5/16/2011 (#5698)
- Multi-Registration - Get message "This functionality is only available when the Configuration screen is open." when multi-reg from cash register. -- 5/17/2011 (#5701)
- Registrations - Error 3075 when enter custom field text that contains a single quote. -- 5/19/2011 (#5702)
- Scheduling Grid - SQL Only - Slow when going against SQL data. Access is 2 to 3 times faster. -- 5/18/2011 (#5418)

#### Revision A1J

- Create a Single Invoice - Don't list non-billable customers. -- 5/11/2011 (#5692)
- GL Payment Distribution - Report is inaccurate when print for past date that originally had unapplied credits, the UA credits are not accounted for -- 5/12/2011 (#5693)

#### Revision A1I

- Cash Register - Cash drawer won't open when using MS-Cash Drawer Windows Utility. -- 5/4/2011 (#5676)
- Conversion - SQL Only - UseFastForms is Not Set Automatically For Access->SQL Conversions -- 5/5/2011 (#5673, Ext#271)
- Customer Schedule - Include contact email and phone number. -- 5/9/2011 (#5619)
- Enter Payments/Credits - Option to include payment detail when print an invoice from this screen. -- 5/9/2011 (#5620)
- ET-Edit Time Detail - If only one job class defined then default to it. -- 4/28/2011 (#5670)
- ET-Edit Time Detail - Show actual punch in date/time when no rounded punch in date/time exists - or update rounded punch in date/time at punch in. -- 4/26/2011 (#4820)
- ET-Employee Time Clock Hours report - Allow a cut-off time to be specified so punch-outs that occur just after midnight fall in the current period. -- 4/29/2011 (#5671)
- ET-Export Time Detail - Don't get "Nothing to export..." message if have only zero hour time records. This should not be a common scenario. -- 5/5/2011 (#5681)
- ET-Export Time Detail - Allow a cut-off time to be specified so punch-outs that occur just after midnight fall in the current period. -- 5/2/2011 (#5328)
- ET-Time Clock - Add missed punch-out functionality to handle cases where an employee forgets to clock out. -- 5/4/2011 (#5404)
- ET-Time Clock - Ability to swipe in and out using ID card. -- 4/28/2011 (#5403)
- Facility Schedule - Make the grey header for each facility darker or better yet black with white text. -- 5/9/2011 (#5617)
- Import CyberSport Data - Allow import of Cybersport 2010-2011 XLS format. -- 5/5/2011 (#5683)
- Item Maintenance - SQL Only - Runtime Errors When Closing Out of Items Screen After Updates -- 5/4/2011 (#5675, Ext#270)
- Main Menu - If no "User Access" to "Reporting" or "Setup", the tabs still show and you get an error when you click on them. -- 5/10/2011 (#5686)
- Mass Edit - SQL Only - Does Not Assign Flat Rate -- 5/9/2011 (#5684, Ext#272)
- MP-Pass/Activity Check-in - Expired registration "Linked" passes show, but expired non-reg passes don't. -- 5/5/2011 (#5680)
- MP-Passes - Include registration-linked pass types in the "Pass Type" filter drop-down. -- 5/5/2011 (#5682)
- Organization Setup - The "Use Fast Forms" option should be visible for both SQL and Access. -- 4/29/2011 (#5672)
- Print Invoices - Include contact email and phone number. -- 5/9/2011 (#5618)
- Print Invoices - SQL Only - Error when print Invoice for a Selected Customer/Invoice -- 5/10/2011 (#5691, Ext#273)
- Register Templates - Allows a bogus 'Starting Cell' to be specified, which causes all kinds of formatting issues. -- 5/4/2011 (#5674)

#### Revision A1H

- Aging Summary - Add an option to include unpaid non-invoiced transactions. -- 4/18/2011 (#5633)
- CC Reconciliation Report - Online CC payments are not broken out by CC type. -- 4/25/2011 (#5658)
- Copy Season - Error 3265 when copying a season with teams into a new season. -- 4/19/2011 (#5650)
- Create a Single Invoice - Transaction list contains transaction types other than 0. -- 4/18/2011 (#5641)
- Inventory Item Sales report - Error 438 when printing the report in summary. -- 4/20/2011 (#5654)
- Inventory Item Sales report - Error 94 printing report, even after running update query on unit discount (see #5609). -- 4/20/2011 (#5655)
- Mass Edit - SQL Only - error 3146 performing a mass edit. -- 4/26/2011 (#5665)
- Online Activity report - Printing for a single date sometimes includes registrations from the following date as well. -- 4/25/2011 (#5659)
- Organization Setup - Remove the option for "Apply Refund On Account to Prepay", and make it available all the time. -- 4/26/2011 (#5664)
- Scheduling Grid - Error 3265 when using facility exclusions and the 'Schedule Content' contains 'Event Caption'. -- 4/21/2011 (#5656)
- Week-at-a-Glance Report - Option to include "scheduling notes" for format 5. -- 4/19/2011 (#5651)

## Revision A1G

- CC Reconciliation Report - Add options to print for a single shift or a single department. -- 4/14/2011 (#5637)
- Scheduling Grid - Print grid not available with new day view control. -- 3/30/2011 (#5612)
- Scheduling Grid - Events do not show on new grid when showing 24 hours (e.g. 5AM to 5AM). -- 4/15/2011 (#5639)
- Scheduling Grid - When using the new schedule view, maintain the selected time slot when scrolling days, weeks, or months. -- 4/12/2011 (#5631)
- Shift Management - Sometimes hides all filter criteria and shows a single old shift. -- 4/13/2011 (#5636)
- Workstation Options - New QL Options: Contracts, Facility Sched, Customer Sched, Calendars, Print Invoices, Create a Single Invoice, Edit Invoices -- 3/30/2011 (#5626)

## Revision A1F

- CC Reconciliation Report - Error 3079 when specify a specific CC Type. -- 3/16/2011 (#5576, Ext#267)
- Copy Class/Team - Does not copy the new email list or grade fields. -- 3/23/2011 (#5608)
- Facility Attributes (Online) - When I use Copy From feature on this screen, the Facility name disappears in the pick list at the top of the screen. -- 3/18/2011 (#5590)
- Facility Event Types (Online) - Event Type drop-down list not refreshed after adding a new event type via the button at the bottom of the screen. -- 3/18/2011 (#5588)
- Facility Mass Update - Add new OFR fields. -- 3/18/2011 (#5589)
- Find Duplicate Bookings - This hidden feature should also factor in facility exclusions. -- 3/22/2011 (#5601)
- Form Field Options - Why isn't Grade a field that can be hidden (or required) on the Individuals screen? -- 3/18/2011 (#5580)
- Form Field Options - on the Quick Company and Quick Family screens – why can't State be a required field? -- 3/18/2011 (#5582)
- Form Field Options - Add code to recall the last form edited on form open. -- 3/18/2011 (#5581)
- Generate Schedule - League - Add new practice schedule option for "Rotate Team Order". -- 3/23/2011 (#5605)
- Generate Schedule - League - Conflict checking not working - it will book the same team for practice twice in the same time slot. -- 3/24/2011 (#5602)
- Inventory Item Labels - Bar code does not show when use Avery 5167 (1/2in), but does show when use Avery 5160 (1in). -- 3/16/2011 (#5575)
- Inventory Item Labels - Does not retain the Inventory Location. -- 3/16/2011 (#5574)
- Inventory Item Sales report - Error 94 printing the report, due to Null UnitDiscount values. -- 3/24/2011 (#5609)
- League Facility Schedule report - Add a second format with columns: Date, day, complex, facility, event type, start time, end time, dur, hourly rate, amount. -- 3/16/2011 (#5577)
- Main Menu - The warning indicators, or the right side of the screen, are not visible when running 1024 x 768 resolution. -- 3/23/2011 (#5606)
- OFR-Reservation Requests - Right-click to select all records does not change the "Delete" button caption to "Multi-Delete". -- 3/23/2011 (#5603)
- OFR-Schedule Templates - Before update is not checking for Element Express when a "pay on line" method is chosen. -- 3/24/2011 (#5611)
- Online Activity report - Duplicate customers and payment methods are being hidden. -- 3/18/2011 (#5583)
- Online Activity report - Add a total number under the registrant column. -- 3/18/2011 (#5585)
- Online Activity report - Report segments sort differently. -- 3/18/2011 (#5584)
- Quick Links - Make Data Locations be one of the Quick Link options. -- 3/18/2011 (#5586)
- Registrations - Does not populate multi-use pass fields when use the "Registration Info" fields to select the class, rather than the "Task". -- 3/21/2011 (#5592)
- Scheduling Grid - When using the new schedule view, maintain the selected time slot when scrolling days, weeks, or months. -- 3/21/2011 (#5591)

## Revision A1E

- Book Recurring Events - Make Book Events button red or bold after Preview Booking (editing, deleting, etc), so Close isn't so easy to click on next. -- 3/1/2011 (#5547)
- CC Reconciliation Report - Add report totals. -- 3/11/2011 (#5571)
- CC/ACH Transaction Log - Add a calendar button for the Date From and Date Thru fields. -- 3/9/2011 (#5562)
- Enter Payments/Credits - After deleting transactions associated with NSF payments, the "Credit Balance" field is wrong. -- 3/14/2011 (#5570)
- League Schedule - Select bars remain after multi-select and delete all events. -- 3/7/2011 (#5559)
- Main Menu - Move "File Versions" from the "Help" menu to the "Support" menu and add new controls to the file versions list. -- 3/1/2011 (#5550)
- Mass Edit - Error 13 performing a multi-delete. -- 3/8/2011 (#5561)
- Mass Edit - Get "You are not authorized..." msg when try to multi-assign locker rooms or multi-assign officials. -- 3/7/2011 (#5554)
- MVL General - Option to show video's in an Ad pane. -- 3/8/2011 (#4018)

- MVL General - Ad Schedule: Add the ability to set start and end dates for ads -- 3/9/2011 (#5120)
- MVL General - Allow up to 8 panes, since most monitors are now wide screen, plus add additional pane format options. -- 3/8/2011 (#5551)
- OFR-General - Error 3162 (w/SQL data) when try to make a request tentative or confirm it. -- 3/9/2011 (#5563)
- OFR-Online Schedule Templates - The "Update Schedules" button is not showing in ME 2011. -- 3/7/2011 (#5552)
- Print Invoices - When printing for a single customer, place the customers email address on the clipboard like we do for customer schedules. -- 3/7/2011 (#5553)
- Scheduling Grid - Error 13 when the business day ends after midnight and you try editing an event that starts after midnight. -- 3/10/2011 (#5564)
- Scheduling Grid - Events displaying incorrectly on new schedule control when using English (Canada) regional setting. -- 3/10/2011 (#5565)
- Scheduling Grid - Allow user to specify the number of Display Columns when using the day view "Schedule" control. -- 3/8/2011 (#5560)
- Scheduling Grid - Show time as 1:45 PM, rather than 01:45 PM. -- 3/10/2011 (#5566)
- Week-at-a-Glance Report-Weekly Field Schedule - Extension of issue #5420, except format the report to provide a clean export to Excel. -- 3/14/2011 (#5572)

#### Revision A1D

- Configuration/Registration - SQL Only - Get error 3021 when click the \$ button for league expenses. -- 2/17/2011 (#5525)
- Facilities - Allow the new MapURL and Email Lists for MRO, in addition to OFR. -- 2/18/2011 (#5528)
- Schedule Events - The "Prompt for Delete Reason" allows more characters to be entered than it will store. -- 2/21/2011 (#5533)
- Scheduling Grid - Column headings not tall enough to accommodate two lines. -- 2/24/2011 (#5543)
- Scheduling Grid - A 24 hour event, starting at midnight, does not show on the new schedule grid. -- 2/18/2011 (#5527)
- Week-at-a-Glance Report-Weekly Field Schedule - New weekly facility schedule w/7 days of week across top and facilities listed down right side. Calendar format data. -- 2/22/2011 (#5420)

#### Revision A1C

- Main Menu - Display an indicator on the main menu when there is a more current revision available. -- 2/17/2011 (#5487)

#### Revision A1B

- Configuration/Registration - Screen formatting issues when licensed for League Scheduling only. -- 2/11/2011 (#5498)
- Conversion from ME 2009 - Turn off old sub-facilities. All clients should switch over to Sub-facility Exclusions, which now allow splitting percentages -- 2/14/2011 (#5508)
- Customer History report - Show each individuals age. -- 2/14/2011 (#5509)
- Export Customer List - Default to the last selected export format. -- 2/14/2011 (#5504)
- Export Name List - Default export format to XLS. -- 2/14/2011 (#5505)
- Facility Attributes (Online) - Error 94 when open form if no facility records exist. -- 2/14/2011 (#5506)
- Facility Event Types (Online) - Error 94 when open form if no facility records exist. -- 2/14/2011 (#5507)
- ME General-Windows 7 - Screen formatting issues - controls truncated. -- 2/11/2011 (#5500)
- Member Photos - Nothing happens when you click the "Photo" button. Also, the PDF functionality is not working. -- 2/17/2011 (#5522)
- Menu Updates - Status bar is showing text that is no longer applicable to the new menu. -- 2/8/2011 (#5482)
- Organization Setup - Hide the "MaxWeb Link Version" drop-down on the "Online" tab because it serves no pupose at this time. -- 2/8/2011 (#5481)
- Quick Family/Company - Error 3265 when try to add a family using quick family. -- 2/7/2011 (#5479)

#### Revision A1A

- Cash Register - Closing cash register causes application to close after going into workstation settings for the first time. -- 2/2/2011 (#5467)
- Copy Season - Copy Season form is using a darker form background color -- 1/28/2011 (#5453)
- ET-General - Delete old employee tracking tables that are no longer used: tblNameEmplJobClass & tblNameEmplTimeClock -- 1/11/2011 (#4856)
- Locate Data - Problems connecting to data if you rename the data MDB in the local folder, start the application, and locate data. -- 1/28/2011 (#5450)
- Main Menu - Default to the new menu after data conversion and on new startup. -- 2/1/2011 (#5461)
- Main Menu - Display indicators when MWL 2011 encounters an error or has not processed within some specified duration. -- 10/12/2011 (#5161)
- Scheduling Grid - Default to the new schedule view. -- 2/1/2011 (#5462)
